REISSUE APPLICATION DECLARATION BY THE INVENTOR

Docket Number (Optional)

NAX1-AS70x

As a below named inventor, I hereby declare that

My residence, post office address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed

in patent number 5,767,845, granted June 16, 1998, and for which a reissue patent is sought on the invention entitled MULTI-MEDIA INFORMATION RECORD DEVICE AND A MULTI-MEDIA INFORMATION PLAYBACK DEVICE

the specification of which

☒ is attached hereto.☒ was filed on June 2, 2000 as reissue application number 09 / 587,107 and was amended on _____ (if applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.☒ by reason of other errors.

At least one error upon which reissue is based is described as follows:

Claims 1 and 4 were amended by a Rule 312 Amendment on February 2, 1998, to replace "disc" with -recording medium-, but the issued claims did not enter the correction.

Claims 1, 4, 7, 9, 25, and 25 define page information as "successively" stored in a storage area, while the prior art did not require such a description and therefore the patentees claimed less than they had a right to claim.

Claims 19 and 20 define "successively" regarding time sequence information in a storage area, while the prior art did not require such a description and therefore the patentees claimed less than they had a right to claim.
